# NAME THAT GRAPE

---

WEDNESDAY, SEPTEMBER 15 | 7-9PM

Join Andiamo Sommeliers, Ben Eberlien and Lisa Ribaudo, for one of our most exciting new tasting events! Sample 5 wines paired with 5 courses of delicious tapas style plates prepared by Chef Danny. But herein lies the caveat; all wines will be tasted blind = their identity will not be revealed until after you have finished each course. Sommeliers do it all the time, don't they? Join us for some deliciously wicked fun, and if you can "name that grape" you may take a bottle home as well.
